1. Introduction

- 1.1. The General Code of Conduct for Authorised Financial Services Providers and Representatives (“The Code”) issued under the Financial Advisory and Intermediary Services Act, 2000 (Act 37 of 2002) (“FAIS”), requires financial service providers to maintain an internal complaints resolution system and procedures based on the following:
- maintenance of a comprehensive complaints policy: outlining the provider’s commitment to, and system and procedures for, internal resolution of complaints;
 - transparency and visibility: ensuring that clients have full knowledge of the procedures for resolution of their complaints;
 - accessibility of facilities: ensuring the existence of easy access to such procedures at any office or branch of the provider open to clients, or through ancillary postal, fax, telephone or electronic helpdesk support;
 - classification and analysis of complaints and corrective actions implemented; and
 - fairness: ensuring that a resolution of a complaint can during and by means of the resolution process be effected which is fair to both clients and the provider and its staff.

This notion concerns all clients and prospective clients of Khumovest Advisory (Pty) Ltd (“Khumovest”).
